

COMMON CORE STATE STANDARDS (CCSS) and LETTERS ABOUT LITERATURE (LAL) CONNECTIONS

LAL guidelines – across all levels: **Write a persuasive letter stating your opinion and supporting that opinion with specific details.**

- What did you learn about yourself either *while reading* or *after reading* this author’s work?
- What elements within the book—the author’s characters or setting or style of writing, for example—touched you emotionally or influenced your thoughts?
- What insights about the world did this book reveal to you?
- Write honestly and in your own voice, as if you were having a conversation with the author. Those are the best letters to read and the most fun to write! Keep in mind these two tips:
- *Correspond, don’t compliment!* Your letter should inform rather than flatter the author. All FAN letters will be eliminated!
- *Do not summarize the book’s plot!* Because you are writing to the author, don’t tell him or her what they already know—what the book is about! Instead, use clear and relevant details to explain how the author’s story affected you, what you learned and felt and understood that you didn’t prior to reading the author’s work.
