Curious Character Questions

Characters should be asked unusual questions to get the plot running, or to unveil something. The answers could make the difference between a sleep-through-read of a novel and a can't-put-it-down page turner of a novel.

Try asking your character some of the below questions and see how your characters answer.

If you ever committed a crime, what would it be and why?

What do you find attractive? How would you approach a potential love interest?

What sort of offensive joke are you most likely to find funny?

What is your favorite word or catch phrase?

How are you most likely to annoy someone in conversation?

Do you think your moral code should be law? Why or why not?

Do you enjoy formal events or would you rather lounge around casually?

What do you believe will happen to you when you die?

Why do you think the chicken crossed the road?
